Attendance

- There is research to suggest that school attendance and attainment are linked.
- A missed school day is a missed opportunity to learn.
- Under the Education Welfare Act 2000 the Principal is required to inform the Child and Family Agency (formerly National Educational Welfare Board) when absences of more than 20 days in a school year occur.
- Year Heads will monitor absences for their year group and will send out attendance alert cards if you daughter misses 10 days. You subsequently receive an attendance alert card for every 5 further days missed.

Attendance

- **Return from absent**

Please email attendance@stlouiscmx.com to explain your daughters' absence prior to her return.

- **Sign outs:**

Please inform the school office of the time the student will be leaving, by email (office@stlouiscmx.com) or by phone. Collect from reception.

- **Late**

Please inform the office prior to arrival. If before 9.40, go straight to class, after 9.40 go to the Main Office.

Attendance

- **Ill during the day**

Alert subject teacher and arrangements can be made to go home.

- **Home for lunch**

Please contact the school immediately if your daughter cannot come back after lunch.

- **On Campus Lunch**

All students are required to stay in school during break and lunch, unless they have written permission to go home to a parent/guardian for lunch.

Uniform

The school insists on high standards with regard to dress and appearance. When pupils wear the uniform they are ambassadors for the school in the community.

Full, correct uniform must be worn by every student in school, coming to school, leaving school, and on school trips.

Uniform:

- Tartan skirt or school trousers,
- School blouse,
- School pullover with crest,
- Green knee-socks or plain black tights with the skirt,
- Flat black or navy shoes.

Uniform

PE Uniform:

- School half zip,
- School t-shirt,
- Plain navy tracksuit bottoms,
- Suitable sports shoes.

Points to note:

- Skirt should be worn two inches below the knee,
- Trousers should not be frayed at the hem,
- Runners and boots are not permitted with the uniform,
- Students should have the school jacket,
- Students may wear their PE uniform for the full day on which they are timetabled to have PE.
- Pupils are permitted to wear one ring, one pair of stud earrings, a school badge, a pioneer pin. No other jewellery is permitted.
- The wearing of make-up is not permitted in 1st, 2nd and 3rd year.

Option Sampling

Your daughter will sample 5 option subjects during their first four weeks in school.

Music, Visual Art, Business Studies, Home Economics and Science.

At the end of September they will be asked to pick 3 of 5 options subjects to carry through to Junior Cycle.

Your daughter will continue to study all of the subjects on List One below:

List One

RE, Irish, Mathematics, English, CSPE, PE & SPHE, Geography, History, French or General Studies.

From List Two, she must choose 3 subjects

List Two

Art

Business Studies

Home Economics

Music

Science

Option Sampling

Please Note:

- Students who give up business studies will be able to take up business in fourth year. However, it will be much more difficult to take up accounting.
- Students who give up science at the end of first year will be able to take up biology in fourth year. However, it will be much more difficult to take up physics or chemistry.
- Students who give up home economics at the end of first year will be able to take up the subject in fourth year.
- Students who give up art and music in first year will find it much more difficult to take up this subject in fourth year.

Wellbeing

Along with our traditional wellbeing subjects of PE, SPHE and CSPE, we have introduced a number of further wellbeing classes for our junior cycle students.

Each first year class will have two dedicated **WELLBEING CLASSES**. Some examples of activities students engaged in are:

- Friendship project: what makes a good friend, qualities etc. Designing a friendship crest.
- Project on the 6 indicators of wellbeing: active, responsible, resilient, aware, connected and respect.
- Hand Project: Students explored, patterns, shapes colours, songs, motifs, and symbols to express themselves my- personal identity: communicating something about themselves- getting to know each other better.
- My ABC, study guide & study skills: Students completed individual ABC study guides before their NOV assessments, we completed class on how to develop smart study skills, discussed the exams and any worries they had. How to study, different ways to study etc, stress management etc.

Wellbeing

- Designed and wrote Christmas cards to the residents of local nursing homes, helping us all to stay connected.
- Virtual classes: (Online class notebook)
- All about me project, student completed a project about themselves- exploring their hobbies, interests like etc. - including images and photos
- Phone a friend- students were assigned a student to call during class and ask several questions to get to know each other better- stay connected.
- Interview a family member- students chose a family member to interview and find out more about.
- I'm grateful for project: Students wrote down ten things they are grateful for and completed a report on the person/ place or item.
- What to do if I'm sad/ anxious: Students come up with a list of things to try and help them to relax.

Wellbeing

- Students will have a dedicated IT CLASS period where they will explore all aspect of Teams, One Note, One Drive etc.
- Students will receive a Microsoft account when they enter in August. This will give them access to the office 365 suite of apps.
- Teachers will use this platform at times to communicate with students, assign work, and to receive assignments.
- All teachers are trained in Office 365 applications and half of our staff are digital leaders on this platform.
- We have noticed that while students have developed excellent navigation skills in relation to social media, there is a skill deficit in using traditional software such as Microsoft word, excel and outlook.
- This class will allow students to begin the journey towards developing proficiency in this domain.

Wellbeing

- Your daughter will have a dedicated Class Tutor period.
- Along with looking after the immediate needs of students and the class as a whole, the class tutor will be working through a dedicated class tutor programme.
- One of primary aims of this programme will be to develop your daughters ability to engage in public speaking which is a skill your daughter will need to complete her classroom based assessments in 2nd and 3rd year.
- Apart from the CBA's, public speaking is an invaluable life skill. Please encourage your daughter to engage in all activities and not to shy away from speaking out.
- Other modules that will be covered in this programme are activities on settling into a new school and how to develop good study habits and skills.
- The Class Teacher is your daughters first port of call should she need to report anything, talk about any worries or anxieties or get some practical information on the mechanisms of school life.

Remember.....

- Keep in contact, we can't help if we don't know.
- We're here to help your daughter settle in as seamlessly as possible. There are a lot of practicalities involved in the running of a school but our students and their welfare are at the heart of everything we do.
- Don't jump to conclusions. Sometimes wires can get crossed, please communicate with us and we will investigate both sides of every situation.
- Be ready for some teething problems, this is a big deal for your daughter. Not everyone handles change well. We have come across most typical situations at this stage so we can advise on the best course of action, and help in any way we can.

We are looking forward to meeting your daughter.

Thank you for listening.
